Hello everyone,
The Annual Report from 2013 with recommendations for 2014 is now available from the school and on our website.
With our improvement agenda we have purchased some mini iPads. These are to be dedicated for use with speech programmes. They will have only Proloquo2go loaded and no other games.
Most NEP goals have now been set—thankyou for helping—these are SO important!!!
And great news: Nystar have approved a grant for some sports uniforms for when our teams are out in the community.

Cheers for now, Anna

Viral Gastroenteritis
We have a lot of students away at the moment with Viral Gastroenteritis. We have attached a letter with information about the virus. Please make sure you keep your child home when they are sick to ensure that this does not spread to other students. They should not return to school until 24 hours from the last diarrhoea or vomiting.

Thankyou
