SITE IMPROVEMENT PLAN
The Site Improvement Plan 2012 – 2014 links Communication and Student Engagement. The focus areas are:
- To improve student capacity to communicate using digital and visual tools across the curriculum.
- To improve student engagement in learning by focussing on individual wellbeing.

CURRICULUM
Reception to Year 10 students participate in the Learning Areas as set by the South Australian Curriculum and Standards and Accountability Framework in English, Science, Society and Environment, Technology, Health and Physical Education, The Arts & Mathematics.

SENIOR CURRICULUM
Students at 15 years of age participate in the South Australian Certificate of Education (SACE) 2010 with a Personal Learning Plan in Yr 10. All SACE programmes are modified to meet the needs of students attending the Mid North Education Centre. The end point in schooling for senior students will be discussed at the NEP (Negotiated Education Plan) and is usually at the end of Year 12, as with other students, unless an additional year is required for educational purposes. Transition planning into post school options is introduced as part of the NEP when students commence and continue through their senior years at school.
ASSESSMENT AND REPORTING
Assessment and reporting on student achievement is important. Formally we include a NEP Review with Individual Goal Setting (by end of week 9) in Term 1. This is critical for setting learning goals for the year. In Term 2 the Mid Year Report and Term 4 the End of Year Report includes skill development for each subject area and progress with NEP goals.

Term 1       NEP Review with Individual Goal Setting (by end of week 9)
Term 2       Mid Year Reports – Focus on each learning area, skill development and NEP goals
Term 4       End of Year Reports

STUDENT WELL-BEING
Our behaviour management policy was reviewed in 2010 to establish a school Behaviour Code. For behaviour incidences of concern at school Parent/Caregivers will be kept informed by a yellow note sent home outlining what occurred, how it has been managed and any future planning.

Mobile Phones
Mobile phone use is not permitted during school hours. However, if a student needs to bring a mobile phone to school for any reason, it will be locked safely in the office and returned to the student at the end of the day. This will ensure that students’ property is safe and classroom activities continue with minimum disruption. Should a parent/caregiver need to speak to their son/daughter during school hours they can contact the school office on 08 8632 1091.

Medication
Please refer to our new Student Health Support Policy brochure. The Student Health Support Policy reflects DECS policy and provides important information regarding responsibilities and partnerships between school and have, student sickness, First Aid treatment, Medication Management and Health / Personal Care Plans. It is essential that HealthCare Plans are updated annually.
